2011 Scholarship Winners

The Alumni Scholarship Committee gives scholarships each year. The number of recipients and the amount awarded varies. In the 2010/2011 year we gave a total of \$2,000. There were four very worthy applicants. We gave four \$500.00 scholarships. The students who received scholarships were **Jacquelyn Webb**, UCLA; **Sydney Lim**, New York University; **Alix Angelpulo**, University of Denver and **Colin Jeong**, Univ. of Oregon. For the past eight years your contributions have helped to give students a head start. Scholarships are awarded on academics, and school and community participation. A parent or grandparent must have graduated from Burlingame High School.

On June 14, 2011, **Jim Whitney, '50** and **Haley Woods, '02** were inducted into the San Mateo County Sports Hall of Fame. Reunion Announcements

Pat Medley Lewis tells us: The **class of '47** alumni continue to meet for lunch (as we have for the past 4 years) in Foster City on the third Wednesday of the month, three times a year. The next luncheon will be on October 19, 2011 at Harry's Hoffbrau at 11:30 AM. We're trying to put together a 65th Class Reunion Cruise out of San Francisco in the fall of 2012. The committee would like to get an idea of how many class members might be interested in taking a cruise before we start making plans. Contact our "leader" **Cliff Donley '47** at (650) 349-5290 or email to patcliffd@comcast.net.

Class of 1948 – Our 50th reunion committee has been meeting the third Thursday of every month since the school's reunion in 1998. We welcome all classmates to join us anytime that you can. For information call: **Doris Erickson Harvey** at (650) 344-6210 or **Nancy Balch Fisher** at (650) 342-6118. See group photo on page 5.

The **class of 1951** celebrated its 60th reunion on August 20th at the Cabana Crowne Plaza in Palo Alto. We had enthusiastic responses and a great turnout, including several alums who had not attended prior reunions and thoroughly enjoyed re-connecting with friends they hadn't seen in 60 years. General opinion is not to wait ten years before we do this again!

The **class of 1959** held its annual picnic on Sept 25 at Washington Park. Approximately 40 classmates attended in spite of the rain. A special thanks goes to **Steve Johnson '59** and his wife Elizabeth for going early to ensure we had tables and to start setting up. Classmates are encouraged to keep in touch by joining our Facebook page BHS Class of 1959 (case sensitive). See group photo on page 5.

Cindy Biggs Weiss, class of 1966, sent the following message –“We are proud to announce that we will be having our 45th Reunion on the weekend of October 21-22, 2011. On Friday night, we will start with a Kick-Off Reception at the home of Craig and **Mary Ann White Storek**. On Saturday night, we will gather for hors d'oeuvres, and gourmet dinner at the Coyote Point Yacht Club in San Mateo. All "Route '66'ers" are welcome and expected to "dance the night away". For more information contact **Cindy Biggs Weiss** at 530-459-5109 or **Jim Boswell** at 415-609-6758.

The **class of 1976** is holding their 35th reunion on October 15, 2011 at La Honda Winery in Redwood City, which is owned by their classmate, **Ken Wornick**. The event will run from 6:30 to 11:30PM. There will be appetizers and cash bar (wine/beer).

Contact **Pat Leahy** at 541-647-8417 or pat@patricia Leahy.com for more information

TASTE OF THE TOWN

On March 4, 2012, Burlingame High School's Annual Fundraising Event, **TASTE OF THE TOWN**, will be held from 1-4 PM at the Burlingame Marriott Hotel. This event features local restaurants donating and serving their food specialties; a silent auction and raffle, all aimed at raising funds to support excellence in education at your alma mater, Burlingame High School. **Tickets to TASTE OF THE TOWN 2012 will go on sale in February 2012 and will be available through the BHS web site.**

Blanche's Corner Alumni Update

Blanche Dibelka Duffey '39

30s **Harry Miller '30** says: Once again I write to advise you that my life is going on. My sister, **Irene Miller Pericic '36**, is still going strong in Sacramento. I am well and happy in Montecito, a health institution. I am 97 years old and looking forward to 98 years old in September. I enjoy the alumni

bulletin very much. Keep up the good work.

Earle W. Jacobs '37 asks: I wonder how many of the January '37 class are still around?? For those who may be interested, go to Barnes & Noble on their computer, click on "Books", and put my name in the search box. The picture below shows Earle cruising on the Dniepro River (Kiev, Ukraine) a couple of years ago.

Richard Lloyd '38 writes that his 90th birthday was a three-day bash with 24 children, grandchildren, great grandchildren and partners. It's hard to believe that 4 of 5 children are in their 60s.

40s

Paul Armstrong '40 tells us: "Unfortunately, I lost my brother **Bob Armstrong '41** on June 25, 2010. At Burlingame he was a Gold Seal student, member of the Student Council, Boys State and lettered in Basketball and Track. During WWII, Bob flew B-24s and much to his disgust, was stationed in Panama the entire time. After his discharge in 1945, he earned his law degree at Hastings College and passed the California Bar but never practiced Law. In 1955 he and his wife JoAnn purchased a Title Insurance Company in Roseville, CA. He sold it in 1969 and began developing property in the area. JoAnn passed away in 2001 and Bob remained active in the area. He leaves a step-daughter Linda and her husband Danny and two grandchildren, Jeff and Michael. His other grandchild, Tiffany, passed away in 2004."

Lorraine Neely Barry '40 wrote: "I enjoy the Panther Postscripts. Not

much about 1940 class folks but there are a lot of us out here. I talk on the phone often to **Anne Case Creighton '40** at Santa Clara, **Anita Bacchetto Poole '40** at San Mateo, and **Jean Prall Lenhart '40** at San Francisco. I always hear from **Glen Johnson Neikirk '40** at Santa Barbara and get Christmas cards from **Lois Barnhart '39** at Los Altos. My husband, Richard Barry, Stanford 1946, and I have been married 69 years on December 18th this year. We have lived in our Palo Alto home 45 years. (Before that all around the country & Hawaii.) My husband is still a consultant at Lockheed and I continue to work with international students at Stanford (since 1953). There were three girls in the Neely family and we all did graduate from BHS. **Weltha Neely Cartwright '34** (died 10/03/85), **Lorraine Neely Barry '40**, and **Carol Neely Durrell '51** (died 12/09/09) **Roy Bradford, Jr. '40** was an active member of Peninsula Bible Church. He died 12/02/09." Lorraine sent a program that she received from Carolyn Cabral Mazenko, the daughter of **Herbert Cabral '40** and **Eleanor Dean Cabral '39**. A performance of Handel's Messiah, dedicated to Herb's memory, was held at the first Congregational Church in Palo Alto on April 18, 2003. The program included a history of Herb's life and many notes sent by relatives, friends, and colleagues. Lorraine tells us that Herb was a star in the class of June 1940 and a long time friend. Note: Herb was a soloist in Burlingame High's performance of The Messiah on June 5, 1938, directed by Elmer H. Young.

Dorothy "Dickie" Cook Quattro '40 says: This is my first time to write a note to update for my family and friends. I celebrated my 89th birthday in March. Attending a beautiful luncheon I was given, was my dear sister **Margaret Cook Watkinson '39**. Marge is two years older than me and was 92 years old in May. We have both enjoyed good health together. We live quite close to one another and up to now have taken several trips

together with a great travel group in Sacramento – (They specialize in seniors and show us a marvelous time always!) Marg is a widow but my husband, Tony, is keeping up with me pretty well. We live in Citrus Heights in a mobile home gated community – Lake View Village. It's a beautiful park. We face lots of grass all around with many trees, quail, doves and turkeys!! We have our own little gardens, several orange trees, in very nicely planned homes – all very individual and livable. We were four girls in family – Margaret, Dickie, **Shirley Cook Schoeppner '44** & **Joan Cook Lawson '44** (who were twins). The twins have passed away – They were 4 years younger than me. Shirley married **Don Schoeppner '44**. Joan married Jack Lawson. Don still lives in San Mateo. I also want to tell you I have still kept up with my best girl friend **Berneita Cornell Harvey '40**. Her husband Earl is a Presbyterian minister (Ret.). They live in Duarte, in Southern CA. "Berneit" is not too well but we are still in touch pretty regularly. They have spent a beautiful life of travel to many countries and teaching children about the Bible, plus helping with healings I'm sure too. They are both so devoted and wonderful people. I'll close now with a thank you for the Panther Postscripts. It's fun to read and think back at many happy days shared at BHS! Thank you for sharing so much. I love thinking back! P.S. I do hear from Babs and **Paul Armstrong '40** who live on the Peninsula – Redwood City. Paul was in the June '40 grad class too. They are a darling couple and have lovely kids!!

Thanks to **Robert J. "Bob" Forrest '44** and **Marilyn Markley Kolar '45** for sending a copy of their "BHS '44/'45 Bits, Bytes & Bios" CD. It's a wonderful collection of photos, bios, comments, and other information and correspondence that they obtained from over 100 of their classmates. Also included are several photos that were published in their class yearbooks. Bob and Marilyn have been successful in

keeping members of their classes in touch with each other through a quarterly newsletter that they publish and through several reunions that they have planned for their classmates. Keep up the good work!

Jack Hinrichs '46 wrote to tell us that **Claudette Lieutard Hinrichs '50** passed away on Nov. 28, 2010. "Claudette was living in Palm Springs and is survived by 2 children, 2 grandchildren and ex-husband Jack Hinrichs."

Jared "Jerry" Byrd '47 wrote to tell us that he moved to Novato. He says, "I find the people here very friendly. I transferred to the Novato Elks. It is a small Lodge but very friendly. My Mom's 104th birthday was July 16th." Jerry and his sister, Mariann, held a barbecue to celebrate.

Roger Redig '48, passed away peacefully after a long illness on August 26th. Roger excelled in football and track while at BHS and went to Santa Clara on a football scholarship. His college was interrupted in 1952 when he flew F84 jets in Korea. After finishing his tour of duty he went to San Jose State and became a structural engineer. He married his high school sweetheart, **Jeanne Stark Redig '51**. Roger leaves Steven and Shari, six grandchildren and 4 great grandchildren.

 **Donald Morrison '52** and wife Sandra are now living in a senior community (Summer Glen) near Ocala, Florida.

Bob Pickle, wrote to tell us that **Leona Melzer Pickle '54**, his wife of 53 years, passed away on May 9, 2011. Leona grew up on Fairfield Road in Burlingame and started school at McKinley. They were married in the chapel of the First Baptist Church on El Camino Real in Burlingame on April 28, 1957.

Joan Glennie Capurro '59, who works at the Bank of Marin, tells us that this is her 50th year in banking.

She also serves as the Chair of the Marin Leadership Council for the American Red Cross.

60s *Correction: This item was partially omitted in the last issue.*
Dorothy Janeen Krabben-schmidt Jensen '68 passed away September 21, 2010, in San Diego. She is survived by her husband Peter Jensen of Del Mar and two sons, Erik and Collin. Janeen always looked back on her years at Burlingame High School fondly--especially the hours spent singing and cutting class in her '63 VW bus. Born in Tokyo, Japan, her life was one of frequent travel adventures, with her favorite destination being the Sea of Cortez via cruising aboard various family sailboats – not a surprising fondness, for she spent much time at Coyote Point as a teen on the family's boat "Pegeen". Janeen was a CPA who worked most of her career as the corporate controller for a chain of major San Diego hotels. Contact the family at peterjensenwriter@gmail.com.

David Bernard Nemer, Jr. '68, died September 2, 2011 at his home in Mill Valley, CA, of brain cancer after a long illness. He was an attorney in San Francisco until 2008. He is survived by his wife, Maria Gilbert, and step-daughter, Diana Gilbert; and by his mother, Elaine Nemer, and his sisters **Susan Nemer Stuelke '86**, **Julie Nemer '70**, and **Martha Nemer Hooper '75**.

70s **Ronald Bommel '73** wrote to tell us of his experiences as a deaf student at BHS. His family immigrated to the US in 1952. The family moved several times and finally settled in San Mateo. He attended five elementary schools and Abbott Middle School before enrolling at BHS in the program for deaf and hard of hearing students. These were very difficult years. He

remembers fondly his good friend Denise Figone Elliott and would like to say hello to her. Following high school he attended Honor Business College. After college he worked at the Presidio and then Hewlett Packard for 16 years and until 2009 he worked as a pressman at The Chronicle newspaper. Since leaving The Chronicle he has traveled to Waikiki Beach and Las Vegas. He plans to visit Holland in 2012 to reunite with the family he hasn't seen in 38 years. He is currently caring for his mother in the family home.

Berta Cecil Hanson '77 writes: It is with great sadness that I write to report the passing of my husband, **Phillip "Dave" Hanson, BHS Class of '72**. Dave passed away in April 2011 after a short but hard fought battle with cancer. With both of us being alumni, we always had a great time reminiscing about our high school days, and we always managed a "walk through" our old halls and courtyards every time we came home for a visit.

Kenneth "Ken" Hoffman '79 passed away on May 25, 2011. Ken loved Burlingame and always called it his city. Ken was loved by everyone and was also known as Mr. Buddy. As Mr. Buddy, he worked with children and helped them boost their confidence and self-esteem. Acting was Ken's passion. He had many small roles in TV and movies (Flubber, Patch Adams, The Pursuit of Happyness and many others). Known as Big Red to his friends, Ken loved all sports. He especially loved the SF Giants and was always ready to go to the ballpark to see them play. Ken had a big heart and even bigger voice, and would do anything for a friend. He is survived by his sisters, **Laura Hoffman Zarrugh '64**, **Linda Hoffman Wallihan '66**, and **Karen Hoffman Irving '72**.

00s **Mike Hower '05** writes: I am currently living and teaching English in Bogota, Colombia as part of Harvard University's WorldTeach program. I have been keeping a blog about my time here and thought other BHS alumni would be interested in hearing about what I'm up to. My blog is called "The Tall Gringo". at <http://www.thetallgringo.com>
